“ Joe, Kent, Connie, and families--so sorry to hear of your mom's passing. I have many fond memories of her as I was growing up in Petroleum! She and mom used to tease me about one time Marge was sitting around the stove at the grocery. I crawled up on her lap to snuggle, thinking it was my mom! They said the look on my face when I realized it wasn't mom was priceless!! I know the two of them had many good times together in Petroleum and at Capri Meadows in the later years. Cherish you memories of those times, too!! Bobbie Overdeer
