“ Our thoughts and prayers are with the Cowgill family. We pray you're comforted with memories of the life, experiences and blessings you were able to share and comforted in the fact that Mark is now in the arms of God, in the company of loved ones who have gone before. We pray you are comforted knowing you'll meet again in Heaven in the presence of God and in the absence of sadness. Until then, know you are in our thoughts, prayers and best memories - family holidays, reunions, home cooked meals, playing at Roush Park, riding (and falling off) horses on the farm...a blessed life in many ways.

“ Mark was my cousin and growing up he was quiet, soft spoken and always had the most beautiful smile that could warm any place he was. He never said much but he was the kindest person and I am saddened to hear of his passing. My thoughts and prayers are with the family.

Thinking back to the memories of all the cousins playing at Grandma and Grandpas house. Running down the hallway for a game of red light green light. Mark always had such a big infectious smile. You are all in my thoughts and prayers.
