“ Sadden to learn of Mark’s passing. He always had a smile and was friendly to talk too. When I worked for the city sometimes I would just stop by the station and visit a little and check on him just to make sure everything was ok. When I was selling concessions at the Wheels of Yesteryear show we would visit Mark and Betty as they had a booth there. They always came over for a fish or tenderloin sandwich. Such a great couple. Mark will be missed. The Zook family will be in our prayers.

“ Dear Ron, Fred, and Zook Family we are so very Sorry to hear about your Dad Mark! What a great man Mark was! I was glad I had a chance to go see him a couple of days ago at Stillwater Hospice! I can still remember growing up as kids on west Wabash street my twin brother Garry and I would walk down town to the C&C Oil and Gas Station across from the News Banner! We would go into the station and see your Dad and Gary Sliger working there! It was a fun time I think about it and know that we were probably being ordinary at pest at times but your Dad treated us good! As we got older we always brought our cars in to get a full deal! Back then they washed your windows, checked your oil, and pumped your gas! I will always remember those your good old days! You Dad Mark was a really good Worker and was still that way till the end where he couldn't do it anymore! God Bless the Zook Family! Our Prayers are with all of you Grieve his Loss! 🙏🙏🙏🙏🙏 Mark Zook was class act and Loved his Family we will miss seeing him around town! May our Heavenly Father give u all Peace, Grace and Comfort! Love, Barry and JoEllen! ❤️
