“ At times like this it is hard to know what to say, but do know that your family is in our thoughts and prayers. I have many fond memories of spending time at your house getting into trouble with Jordan, my cohort in crime. During this time, I had the privilege of getting to know Marlin and his great sense of humor. While I cannot imagine your family's sorrow at having to say goodbye, you can be sure that you do not grieve alone. Marlin is a great guy and will be sorely missed by all those who had the privilege of getting to know him.##imported-begin##Justin and Heather Gardner##imported-end##

“ Dear Rita & Family - It has been many years since we were in Poplar Grove & BHS together, Rita, but I always remember you with great fondness. I remember staying overnight with you in Poneto, going to your father's grocery store for an ample supply of penny candy. I thought you to be the luckiest girl to have a dad who owned a grocery store!!! I am just so very sorry to hear about Marlin - much too young to be taken. We never know the date or hour, though...and must lean on God for understanding. Please know I am thinking of you with love & prayer.
