“ Some of my favorite childhood memories were at Aunt Mary Alice and Uncle Jims lovely home.....and my mother shared that many fun times were had at their kitchen table! So I will so cherish this visit I had with Aunt Mary Alice, my mother and her sisters. Oh the laughs they are sharing now. Sorry I was not able to attend her service, but know that you were all in my thoughts. My prayers and sympathy go out to all my Jackson cousins. John 14:2

“ *So sorry for your loss - my mother and I both felt so welcome and warm whenever we visited Great Aunt Alice and Great Uncle Jim, and their marriage was such an inspiration. She was an incredibly wonderful, kind woman who spread light and love to everyone around her. We know you must miss her immensely, but we hope that there is some comfort in knowing that she's reunited with Great Uncle Jim in heaven. You will be in our thoughts and prayers.*

“ *I have so many great memories of Jim and Mary Alice and our family at their house. It was fun catching those small bluegills, baiting hooks and drinking lemonade in the summer. I am also very thankful for the love and connection that Jim and Mary Alice had with my dad Dick and mom Floy through their golden years. Friends like that are rare these days. Thanks for being a model for the rest of us.*

“ I was saddened to hear of the passing of Mary Alice. We remember all the remarkable things she accomplished and we cherish the happy memories we had with her. I remember the times we went shelling on the beach and I was always looking for the perfect shell. Mary Alice would pick up a broken or imperfect shell and say that shell had character. That is the way I shall remember Mary Alice; always finding the best in everything. Our love to you and your family. Mary Alice and Joe Maloni

“ Mary Alice, Aunt Ruth and I shared May birthdays. We admitted to each other, it was the best month of all to have a birthday as everyone was eager to celebrate spring and warm weather again, and we got to be the happy recipient. Also, this time of year brought Easter and I recall Mary Alice helping us all make Easter eggs with paint on the water -blowing the colors in the water as we slowly pulled the egg to expose the design. She was the best at this skill. A trip to the Jackson home was always a joy with lots of noise, games, freedom to run and play and a parent unlike any other - hardly any rules and no need to keep our clothes clean. The lady with the smile. Thanks also, Mary Alice for regularly visiting my own parents grave since I am so far away, and visiting Daddy so faithfully in his final illness. I will miss her but never forget her. Nancy
