“ *Mary and Rex are the best neighbors we ever had. They loved and cared for our northern California forest, and taught us to be good stewards of the earth. We are so blessed to have such friends as these! Karen and I share stories of Mary with friends and family, knowing she lives on through our memories and her family. See you soon, Lady - but not too soon, we hope!! Rex, Mark, and family, we hope the wonderful memories will bring great joy and comfort in years to come!*

I'm so terribly sorry for your loss. Mary was a very special to me. There was never a time that she came to my salon that she was ever unhappy. She had a personality all of her own. She never left without exchanging hugs and her always telling me she loved me. I love her and she will be missed.
