“ *When I was a first grader at Rockcreek about 52 years ago, my teacher was Mrs. Green. Was just wondering if this is her. I remember her trying to talk to me over my sobbing and coaxing me to eat some lunch. I was not ready to leave my mom and sister at home and go to school. Either way I'm sorry for your loss. “ *Denny, Kay, & family,
So sorry to hear about your mom, as she had a special place in my heart!! I always loved our visits when I would take mom down to see her & Aunt Ruthie. She definitely was a special person, but glad that she is finally at rest & back with uncle Robert. She will probably be playing the piano & singing in heaven!!! God bless & be with you all during this time. Please let me know if or when the service will be.
Thank you... Love Sharon*
