“ *So sorry to hear of Mary passing. She was a jewel! I got to know her when I worked in the same Real Estate Office that Jerry worked in. We became friends and after Jerry passed, Mary would call me to see if she could ride to Fort Wayne with me to take the Continuing Credits for our real estate license. We had so much fun. I remember the last one we attended, we were coming home after dark and I hit an object on the highway and had a tire blow out to which she replied, "well why did you do that" and I said well I didn't see it. That has always made me laugh, but she was a joy to be around. You could see in Mary's eyes that she was an honest caring person. I did not know any of her family other than Jerry, but she spoke of them and loved them dearly. You are all in my thoughts at this time.*

“ Mary and I were colleagues at Vore Realty in the mid 80's. We became friends. During that time, in 1986, I gave birth to my youngest daughter., In the years to come that daughter learned to sing, Mary often accompanied her on the piano. Those were very good times. Please accept our family's condolences on the passing of this beautiful soul.

So sorry to hear of Mary's passing... she was my fan club and dearly missed us when we moved from River Terrace. My contact was with her through Red Hatters. Such an interesting lady and I really liked her as she was truly honest about everything she did. Well Mary told me she was going to pass on her birthday in September and I told her that it was not in her hands... Only god knew the time and place. Dec 8th. not September. Carol Lochtefeld

What a legacy! We're so fortunate to have had the wonderful childhood and parents growing up in Bluffton. Glad she had such a rich, full life, and a wonderful loving family!
