“ *Gary Girvin here. I can't remember the last time I saw Mary but seeing her picture made me smile. I always like Mary! In the 1970's when she worked for Joe Jacobs who was my good friend I was in & out of his office all the time (I was a county official then). Mary & I always had this little exchange me how is Tim & she'd respond w/a big smile "oh Timmy is wonderful". She was very proud of you Tim! I couldn't believe she was 91 she always seemed much younger than what she apparently was. I stopped a few times after I had moved from Bluffton & Joe was not Surveyor/her boss just to say hello. A good long life!*

“ Tim (Mercury) Morris and family. I am really sorry about the passing of your mother. I think back to the farm league days of the Corning Cubs, and the good times that we spent together. Your mom was always kind to me and my family, and I often think of my late aunt, Betsy, my late father, Tom, and my mother when I think about your mom. Life seemed much simpler then, and I am grateful for the people who influenced me. Take care and please know that I am praying for you and your family.
