“ I can remember the time that Matt and his brothers went fishing with me in a river. We satarted out fishing for white bass with \$5 waders that our dads bought us from k-mart. We did not fish long before our cheap waders were torn to shreds. We ended up swimming and exploring the area. Our dads remember this story and we all have laughed about it for years. Matt will be missed and I am sorry that I can not attend the memorials for him. My prayers and thoughts are with his family and loved ones. May God hold him until we meet again in heaven.##imported-begin##Wes Luzadder & family##imported-end##
