“ Linda and family, I just want to share some memories. I first met Mike when I started working at Wells community EMS. I remembered he was in the first paramedic class. He would work his 24 hour shift and go to class. He became a great paramedic. He loved helping patients and loved helping his fellow Medics. We will miss him.

“ I have known Michael since he was about 9yrs old meeting him through his mother as a cute little ornery kid. A few years passed and again I came into contact with Michael when I was a medic with Wells Co. We went to school together to become the first National registry Paramedics in Wells Co. Michael has always been caring, kind, extremely intelligent, lends a listening ear and gives a friendly smile.

He will be truly missed by many people.

Thank you Michael for your Dedicated Service on EMS and Fire.
