“ We are thinking about Jeanette, Michael, Mark, and Matthew (and their families) as they cope with the loss of Mike. His legacy is his sons and their children, and we hope that they remember old times participating in sporting events they loved, and times spent outdoors enjoying like.

We love you, and you are in our thoughts and payers.

“ Having coached both Koltan and Kaine during the summers, I got to know Mike very well. He was a devoted grandfather, baseball fan, but most importantly - GREAT GUY! i always enjoyed our interactions - he will be missed. That said, his legacy will be carried thru the thoughts and actions of those who he invested in.

“ Mike and his sons helped me through my 4-H career, he taught me so much. He always gave me a hard time for being left handed, but he always new I could do it and pushed me until I did. My last year of 4-H I finally concurred getting grand and reserve champion at the sheep show (we only tried for 8 years to achieve that), he was the first one I hugged walking out of the grand drive and he held me as I cried. I knew my 4H days were over and we had built a bond over the years. I'll never forget him, I was lucky to have him in my life. Moore family, I love you all!

“ I remember in 8th grade missing a week of school and going to Springfield Illinois with him. We stayed in the Hilton and it was huge. He was there for work and I was able to go to the convention with him. We had so much fun and he even helped me with my US History. - Kaine

“ Mike's life was spent dedicated to others. During his time with us, his first thoughts were always about his family, friends, customers and the people he served. May God's Grace always be with this faithful servant, Jeanette and his family. Mike Lemmon
