“ *My step mother and I visited with my cousin and her husband, Mike, a few years ago. We met with Mike, Lorraine and their 2 dogs. It was great 😊 We had supper ordered from a nearby bar and the food was delicious. I am sorry for cousin Lorraine's loss 😞 Thinking about my cousin and the losses she has gone through 😞*

“ I love you, my brother. Thank you for all you have done for me and my kids and grandkids, and Mama. We will all miss you so very much. I don't know what we will do without you. Jewell and I will do our very best to take care of Mom and Pierre. My babies are very sad that you are gone, they knew you were the greatest. Thank you for being a big part of their lives. Justice asked me "Why Unc Mike die, Gamma". I could only answer, "I don't know, Baby." You are another big lose in their little lives, and they will miss you greatly. Donevan loves the new bike you made for him. He says he will take care of it forever. You made his day! You are the greatest man I know. Give my love to Daddy and Matthew. I love you so much, Mikey, and I miss you already.
Love, your baby sis, Mari
