“ *We met Mike while DeWayne was in rehabilitation at Ossian Health and Rehab last June. He touched us with his kindness, consideration, and warm hospitality. My favorite conversations were the ones about snowstorms in the summer!##imported-begin##DeWayne and Betty Oakes##imported-end##*

“ *Mike will be missed. He touched so many in Bluffton who saw him hold his hand up and wave to so many in the community when he would sit at the entrance to Capri. It's too bad he didn't get a memorial service because so many people would have shown up to honor him and his sweet spirit. :(##imported-begin##Melissa Stech and family##imported-end##*
