“ *Janet and Family,*

We are sorry about the passing of your mother. What a long, long life she lived. I did not know her, but Pat told me of visiting with her in the recent years. He enjoyed talking with her and felt like she had such a sharp mind. Do know that we are thinking of you and keeping your family in our prayers at this time.

“ Dear Janet, I am so sorry to read of your Mom's death. I remember her from when you lived in Petroleum, and have seen her over the years as I traveled to Bluffton visiting my mom, Bernice. She was such a lady--a positive role model for others. I saw her last when Mom passed as she made it a point to come to Thomas to see me and my family!
Blessings to you and the rest of the family.

“ I am so thankful I was able to see Mildred when I was back in July. She was a great lady and I know you will miss her. Janet I am sure you remember who I am. She told me when she gets mail she always looks to see if it is from me. I am so thankful for my wonderful memories with her and I know that is what all of you will cherish. My thoughts are with you.

“ Dear Janet,
I had the privilege of chatting with your mom nearly 2 years ago at the time my mom died. I would see her as I visited Mom's husband Sandy at River Terrace. I thought she was so neat with that same quiet dignified poise that I remember in the 1960's. What a great mother you had. A good role model for us all at all stages of life. She will be missed. Know that I am thinking of you and I hope you are doing well.
Warmly,
Pat Flaningam
