“ I didn't know you but to have you posted on here by Sally means you must have been a very special lady and will continue to be for Sally will carry you in her heart and memories until she comes home to be with you! Another special star shining bright in the night sky and another special Angel God has welcomed to his beautiful Heavenly Home and into his open waiting tender, loving, caring arms! Sally can grieve knowing you're getting. Much better care there then here!

“ I have a humorous memory of Norma that always makes me laugh: Several years back at my uncle's funeral I saw her for the first time in many, many years. Norma said, "Oh my word, is that you Becky Sue? Oh Lord, you're OLD!" She was a gem! And Aunt Vickey you have inherited many of her special qualities! Love you all!
