“ *When I was little I thought my daddy was the strongest man in the world. Well I was right. You fought so hard..you were so brave. I love you daddy and u are missed. I'm so glad that we got a chance to be together again before your return home to The Lord. One of my fondest memories of my father is watching him teach his granddaughter how to fish for the 1st time...priceless. See you on the other side. I love you. Love Always-Daddy's little girl
