“ My sincere condolences to Ethan & Megan, it is hard enough to try to put into words the emotions you are dealing with right now. Unfortunately not too many words from friends and family can bring you a measure of relief. The source of comfort can only come from knowing the truth about our Creator -2 Corinthians 1:3-7. And know that Death was not his original purpose for us and that he will do away with it -1 Corinthians 15:26. Notice what he will do in the future for you and your family, “he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”(Rev 21:4). I’m so sorry for your loss.
