“ I was in her "first"-1st Responder class. Pam gave endless time and energy to her profession. She was also a dear friend. Walmart, Kroger's were times for 60 minute visits in the aisles. Tony and Pam were a big part of saving my 1st granddaughter's life. Priceless! Until we meet again Sweethart, I love you.

What a shock to hear of your mother's passing. We are so very sorry. She was so proud of you girls. When I would see her she always had a smile and ready to tell me about what adventures Lindsay, Luke, Lacey and Quinten were up to. I'm sorry I didn't know all of Pam's family but you have my sympathy. Lindsay and Lacey she taught you both to be confident and to love life. My prayers are with you along with our kids Kyan, Brian & Liza and their families.

I learned so much from Pam and Tony. Tony and I were partners when I first started EMS and I was the only female on Pam's shift. She always made sure the boys didn't give her girl any trouble. She was the ultimate momma to us on shift. Prayers to her family.
