“ *Brian, Jennessa*

*No words can express how deeply sorry I am for the loss of your parents. They say the child is a reflection of the parents. Your parents did a wonderful job. I know you are a strong person and you will come through this. Live in the knowledge that 2 people loved you deeply and each other just as much. You know how to find us. Keep in touch. God Bless you both.##imported-begin##Toni Klopfenstein##imported-end##*

“ Brian,  
You'll be in our prayers. I hadn't heard about your dad and was devastated about your mom. They were both so young. Your mom was a very special person and I remember you when you were much younger and used to come to New Hope. I remember your Mom's delicious Christmas cookies and warm heart. Your first car was my old Olds in '97. I drove it for 20 years and it was my baby. We'd love to have you keep in touch and let us know of anything we can do for you.
