“ *Laura and Steve and Bill - Our love and hugs to you and all of Parker's family. He had little time here, as it turns out. That must be why he joined the best of families to spend it with. We had enjoyed that wonderful photo of five generations and know that your hearts will treasure each moment of your little one's life.*

Parker I hope you can feel the love we have for you right now and will always. You brought so much joy into our lives in such a short time. Please watch over Mommy and Daddy everyday and keep them safe so they can learn to continue on in life without you in sight but always in their hearts. Grandpa, Grandma, and Uncle Brodie will never ever forget you. We will miss you everyday for the rest of our lives and will look forward to the day we get to see you again. I hope you and Grandpa are together being buddies. Love you forever!
