“ Sorry to be so late here. I just saw this. And I'm sorry to hear it. I liked Pat. Unfortunately, we met late in our lives (fortunately, we did meet). I suspected something was wrong when we missed our connection when I stopped by her farm last June. I never heard more. She sure was a sweet soul. And a lot of fun, I think. I already miss our family-history back-and-forths. --- Cousin, Rick Bender, Albuquerque, NM
