“ Dear Bill, Jennifer, and Julie,

Even though we saw little of Pat after we all left the hospitals that we worked for, we still valued our friendship for all these years. Pat will be surely missed by you, her family, and all of her friends that are left behind. We had some wonderful times over lunch and at meetings, and formed a real bond of friendship over the years. I have contacted Ele Campbell where she now lives in California as well as Erin Magnuson from Auburn. We will miss her positive influence and ready smile, even when she was not feeling well. We are sad to know that she will not be sharing her stories and friendship anymore, but are thankful to have known such a lovely lady.

I would like to share a special verse that has meant so much to me and especially after the loss of my friend and former husband just last summer. Romans 8:28, 38,39. Sincerely, Shirley Hile##imported-begin##Shirley A Hile##imported-end##

Please know that you all have our sympathy. Appreciated working with Pat on the Ossian EMS in it's early years. Not sure if we will make the viewing but know that your family will be in our prayers.
