“ Paul and I went to school together the last 2 years of high school. Even though we weren't best friends, he was always kind and easy to talk to. I really enjoyed spending the evening with him at our class reunion last year. He will be missed, but the impact his life had on others will live on. Rest in peace Paul.

“ I worked with Paul back when CVS was Hook's Drugs. When I started there, my hair was blonde. I have changed the color many times over the years, but he always called me Blondie. You should have seen the confused looks from people.

I don't even know how to begin to express how sad I am at his loss. I haven't seen him in a couple of years since we moved to Decatur, but I will miss him deeply.

To his kids, he loved you so much and spoke of you often at work. He brought joy into my life and always had a smile. I was telling someone a story about him just the other day. I just can't believe he is gone.

RIP my friend. I was always amazed at Paul, when he worked in the tool crib, he knew everyone's time clock number by heart. All tools were checked out to our time clock number...I think mine was 52198, someday Paul can tell me if it is right.....

“ *Paul was a good man and friend. I worked with Paul 28 years at Franklin Electric/BLMW. He was always upbeat and smiling and we would talk about family and cars and racing. He would organize trips to go kart tracks in the area and a bunch of guys from work would go racing. We always had a lot of fun. Paul will be missed.*

“ What a great man!! I'm sure everyone that knew him, is saying the same thing. Always smiling. Always ornery! Will always remember our NASCAR conversations (about how my team sucked.) and it was pretty much because I never selected Jeff Gordon. Paul always showed off pictures to me of his grandkids and so enjoyed bringing them to Breakfast with Santa. The last time I saw Paul, was at the STYX concert. I got to meet Karen there, too. I'm so very glad I have that memory of him. Hugs and prayers to his and Karen's families.
