“ Paula was one of those rare and wonderful people who didn't judge people by their looks or their circumstances. She always saw something good in everyone. I've known Paula since her family moved here from Kentucky many years ago. She was just a little squirt then. She comes from a great family and she had a great family! She has left a huge hole in this world. She finished her race with grace and a strong witness for the Lord. She will be forever loved and missed until we see her again well and whole. (She's probably talking a blue-streak to anyone who will listen). Go Paula!

“ A beautiful garden now stands alone,
missing the one who nurtured it
But now she is gone,
Her flowers still bloom, and the sun it still shines,
But the rain is like tear drops, for the ones left behind,
The weeds lay waiting to take the gardens beauty away,
But the beautiful memories of its keeper are in our hearts to stay,
she loved every flower even some that were weeds,
So much love she would plant with each little seed,
But just like her flowers she was part of Gods plan,
So when it was her time he reached down his hand,
He look through the Garden searching for the best,
That's when he found Paula, it was her time to rest,
It was hard for those who loved her, to just let her go,
But God had a spot in his garden, that needed a gentle soul,
So when you start missing Paula, remember if you just wait,
When God has a spot in his garden, She'll meet you at the gate....

My dear sweet sister in-law I Love you with all my heart and I will miss you tremendously.
