That was very nice sissy. Mommy,Kyllie & Gabriel. We love you with all our hearts. We miss so bad and we want you back in our arms, but I know we will see you again. Know you are in the arms of the angels. Playing and giggling. I just wished that mommy could see your beautiful face and kiss you and touch noses. That I do to all my babies. But when the angels call mommy home to you I will kiss you again. Mommy loves Persephone Amelia Tucker. Your welcome in my dreams any time my baby angel. Xoxo

Lonna, there just isn't any words that can heal your heart... Only time slowly, eventually, if ever, can do that... Your precious Baby , daughter was taken away from you... Kyllie always wanted a Baby Sister...& now Persephone was taken away from her, too.... Kyllie said to me "Persephone was Precious' I told her, Yes, that she is... Persephone is an Angel now, she is by your side, she will always be with you, in your memories... that are and will always be held within your heart... may you find strength through family, friends ... We Love You, Sally(Grandma) & John (Grandpa)
