“ *I was so sorry to hear of Phid's passing. Phid had been a constant friend and ally from the time I arrived in Bluffton and first met her. She never failed to greet me with a huge smile and hug, always including a query as to Tim (my son and Tom's look-alike all those years thru grade and HS). I shall miss her on my infrequent trips back to Bluffton, at Bev's (Buckner), at BayView. She and Bill will remain in my memory. - Marilyn Creason*

“ *Tom, Mo, Amy, I am so sorry to read of your Mother's passing. She was simply the best! Both of your folks were dear to me during my time in Bluffton. Loved going to their house just to talk and getting the best advice in return. I could not visit to the Bluffton Street Fair without making my way over to Phids for a fix of her zest for life! So very uplifting. You were Blessed with wonderful parents and I too will miss them dearly.
Love You. RD*

“ *A very special lady. I admired her so much when I was growing up. Saw her in church and around town and knew instinctively that she was wonderful. As an adult it has been a great privilege for me to have the opportunity to get to know her and call her friend. Phid was a beautiful woman who could light up the very room with her smile and that feisty laugh. She appreciated people and life, and she will be dearly missed. It is almost always impossible to sum up another's life in a few short sentences. That is particularly true with Phid Hamilton. Suffice to say, that if you were fortunate enough to know her, then without doubt you also loved her. I will recall her often, and it will always be with a smile and a grateful heart. She made the world a lovelier place.*

“ *Dear Ann, Amy, and Tom and the entire family, Just read that your dear Mother has now joined your Dad in heaven. What a spunky lady she was. It seems like I always knew her - she was my old neighbor, then my Mom and Dad's neighbor, and a patient of mine for years. She was always so much fun! I know she will be missed by many but her spirit will live on in our memories. Connie Wolfcale Bade*

“ It's kind of funny but one of my memories of your mom is her avocado tree. I had never heard of avocados and she had a tree. I have great memories of coming to your house after school when we were in Jr high. My thoughts are with you now as you celebrate her life.

“ Dear Ann, Amy and Tom,
My heart is heavy for all of you, but I will rejoice that your parents are once again united. Your mom and dad were just the best! And your mom's parents, too. They were among the first people to welcome the Geists to Bluffton and stayed steadfast friends. Your mom knit one of her famous stockings for me when Tiffany was born (36 yrs. ago) and we still use it! May your many wonderful memories bring you peace and comfort. You are so blessed to have had two of the best parents. I'm so sorry I will not be able to be with you Saturday, but my heart will be there. My love to you ~ Sandy Geist Funk

“ Phid. You were such a joy to be around, I always enjoyed visiting with you when you came to the office and when I got to come out and see you at Christian Care back in early Dec. I remember when you bought that yellow bug, you had so much fun in it. You will be missed very much so. My thoughts and prayers go out to your family. They now have a very Special Gardian Angel watching over them.
