“ *Dear: Shinn Family,*

While reading the online obituary, I observed the death of your loved one. Death is an enemy to mankind and who can understand it. IT can and does have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes,and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitled "What Hope for Dead Loved Ones"? If you have any Questions,Please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences,may the God of peace be with you and your family.

Sincerely Yours,

“ Our community will face the loss of Phyllis Shinn with sad and grateful hearts. As a gifted pianist, she gave liberally to us all the beauty and pattern of her performances, which often moved us to joy or to tears. Phyllis’ generosity was rooted in her sweet humble soul, sparked by an intense focus and a genuine devotion to the causes of her lifetime —art, family, friends, farm and pets. May her fine example inspire us.##imported-begin##Maureen and Tom Butler##imported-end##

“ Gloria,
I was so sorry to hear that Phyllis has passed away. I had so much fun with her at the FOS Garage Sales, when we worked together, and she always had something funny to tell me at any meetings that we attended. She was just a FUN person, and I enjoyed Phyllis so very much. Never did make it to the house and see her "Spider Plant". Phyllis was one of those people that I didn't get to know long enough, and will be missed by so many. ~BJ Gray~##imported-begin##BJ Gray##imported-end##
