“ *We are going miss you. Thank you for being a huge part of my life. Never showing any judgement. Just wanting to be with people. Always being happy. And letting me aggravate you. But most of all thank you for all the love. I will miss you so much and I hope that I can pass down the wonderful caring, loving, and funny, character and personality that you helped install in me, to my kids. Don't worry I will help take care of dad. And I know that soon enough we will be together again. I Love You! Love always, Your favorite grand daughter Summer##imported-begin##Summer Allen##imported-end##*

“ We last spent time with Raymond at the DeKalb Free Fall fair in
September when he traveled to Auburn to spend the day with his
twin sister Pauline. Dad, Pauline, Raymond, and us had a great day
of watching the parade, dinner and a nice time walking around at
the fair. We always enjoyed visiting with Raymond. He always had
pictures of his family to show us! He dearly loved his family. You are
all in our prayers.###imported-begin###Cheryl and Larry
