“ *Becky was a kind, sweet, and thoughtful lady who will be dearly missed. Working with Becky for many years my memory is that she could brighten your day with her cheerfulness, humor, and upbeat attitude. I will always have fond memories Becky and the joyfulness she brought to those around her at work and outside the work environment. May her memory live on for those who she touched.*

“ *I worked side by side with Becky at Admetco for 7 years. She was a wonderful lady who had a great personality and was always so friendly. We still exchanged Christmas Cards and it was always great to hear from her. She was truly a beautiful lady inside and out, and will be missed by many.*

“ I will miss Becky so very much. She was my "bestie"....and we shared many a bus trip together and "gal's 'nite out" gab sessions. There will never be a friend like her in my life. We shared so much together and my life will not be the same without her. I knew that there would be a time that one of us would lose each other....but I always thought we had more time together. We laughed - we cried - we understood each other like no other person in my life could ever replace. My heart goes out to her daughters - Ronda and Ruth and her granddaughter Kayle and her precious great grandchildren and the rest of her family. All of us will miss her greatly. She left many wonderful memories for us to enjoy. May you rest in peace - my wonderful friend.

“ *This so breaks my heart, I'm praying for comfort for all of you. Aunt Becky was , as they say, "a hoot", if ever a hair was out of place it looked like it was supposed to be out of place. While she one to speak her mind, she always made me feel welcome and wanted. I will miss this awesome lady.*
