“ Reddis, you will be deeply missed . You was always good to my kids and myself and always let us know we were family , when I came home you always made sure you seen me , but unfortunately I came to see you this summer due to you not feeling well , I know you never got to see Jennifer much, but she does not get home much. David is taking it hard he thought the world of his Uncle, I did my best to try to be there but the weather conditions are treacherous to drive 578 miles, I checked on a flight out but with the holidays could get nothing . I just wanted you all to know my heart goes out to his Daughter Lisa and Grandson ,wife Doris and all his family back home in Kentucky. Love and miss you David, Chad, Jennifer and Vanessa
