“ *I loved Rev. Corn. He made a huge difference in my life. He was the first person who made me feel welcome in a church as a teen. He married me and my first husband, Rodd Botteron when I was 17. It didn't work out. I was a wild child. He would be glad to know I did go on to find a special person that I've been married to for 13 years with four children. I tell me children stories of Rev. Corn from my youth group days. I hold numerous positions in my church. I just wanted to share how special Rev. Corn was to me.##imported-begin##Nicole "Shaner" Lockhart##imported-end##*
