“ DAD I really am lost for words !! But I do have lots of memories as a kid growing up .. the one thing that has stuck in my head was how we would watch western movies every Saturday and every Sunday was going to to church .. when we would get there to be with you and Lottie we would go to the gas station on the corner and you would let us get a six pack of pop ,some chips and some kind of candy .. But you would say now this is to last you the weekend Kiddo !! And as a kid I would think in the back of my mind oh well I know if I run out he would get me more because I am daddy's little girl ..My father was a great man he was gentle but yet stern.. He would hear you out and tell you exactly what he thought .. But one thing I always knew he loved his family more than life it's self .. daddy I love you and I will always remember the talks we had and the laughs we shared and the tears we cried .. until I see you again love you !!

Love you daddy always your little girl Tina
