“ *To Rick's family: As a prior Liberty Center resident and hospital worker. Rick always said hi to me at work, and always asked about my family. He always had a smile even with the issues he had. He spoke so fondly of his family. RIP Rick. Will miss seeing you at work. My thoughts are with you.*

“ *Karla and family,*

Rick was a great cousin--full of life and a great story teller. We had a lot of fun over the years at the Riley/Habegger events. He will be missed. Karla, Rick was so appreciative of you--you were a loving and caring daughter and a role model for the rest of us on how to treat family. We wish you peace and comfort. God bless all of you.

Thank you so much Toni. Your kind words mean so much to me. He thought a lot of you and truly appreciated having you to visit with and it always brightened his day so much each time he got to talk with you. Having you to talk with these past few weeks has been such a blessing for me. Thank you for always being there to talk to and give me advice when I needed it.

Love,
Karla
