“ I always loved going to Rita's house as a kid! I can picture her yelling at Justin and Jordan for whatever mischief they were up to. As I got older I would always walk past her house when I walked the dog because if she was home I knew she would be outside. She would always come and have a chat with me when she saw me. Rita was such a genuine and caring person. She always made you feel special and she gave great hugs!! She was such a great friend to my mom (Lila). I have lots of memories of listening to them and the club ladies chat and and have fun! She will be greatly missed! Sending prayers to you all!!

“ Lacey, Sara, Mak, Jordan and Families, so sorry to hear of Rita's passing. She was a good Mom and she always greeted all with a smile. One thing comes to mind, I was visiting the house one day, and Rita was explaining how she had blown the top off of her pressure cooker. Most of the mess was cleaned up, but you could still see remnants up on the ceiling. Not so funny, but we all laughed. I know you and all of the Poneto community will miss her. Wayne and I would like to share our deepest sympathy during this sad time.

“ Rita was the adventurous one in our group of five friends. It was her idea to get us to go river rafting a few years ago. She so enjoyed spending time with family and friends. Rita made the best sugar cream pies. With her always upbeat attitude and smiles, we shared many good times. She bravely faced her illness and I never heard her complain. She will be greatly missed! We send our sincere sympathies to her family. 😊

“ Rita was like a ray of sunshine and I always enjoyed seeing her and talking with her. Don't think she ever met a stranger. She was an excellent mail carrier for many years and spoke of how she enjoyed seeing the blooming trees and flowers on her mail route each spring. Rita was a joy to know.

I've known Rita from 3rd grade at Poplar Grove School through Bluffton High School. Rita was one of the nicest, sweetest people I've ever had the pleasure of knowing. I am so sorry for your loss. I'm sure she will be terribly missed.
