“ *Teresa, so sorry to hear of your mother's passing. It has been years since I have seen you, let alone your mom. My fondest memory of her was her fixing us lunch at your home when I visited during early grade school years. She made us the best Peanut Butter and Jelly sandwiches and it was how she sliced them that made them the best!! To this day, I slice them like your mom!! Thinking of you and your family and hope you are doing well.*

“ *Dave and Family,*
I was deeply saddened to read of Rita's passing! I hadn't seen her for a while but I didn't know she was ill. I always enjoyed her warmth and smile throughout the years and she will be sorely missed by so many. My prayers and thoughts are with all of you.

“ I had the pleasure of cutting Rita's hair for over 20 years. Sometimes it was in her garage, and sometimes it was in my garage, she followed me to every salon that I every worked at. We have shared many of stories over the years. Some made us cry and some made us laugh. She was one of the hardest working women I ever knew and, I respected her greatly for that. When I told Rita that I was moving to Colorado she was mad at me. It was like I was leaving her personally. She told me since I was moving on so was she, and the last couples months I was still working in Ossian, Rita moved on. I shared this story with Nancy and we got a chuckle out of it, as it was pretty cute. I am grateful that the last time I was in Indiana I visited Rita and David at River Terrace. It was wonderful to see them. I don't think she was mad at me anymore. The Moore family has always been a part of our families life. So as you girls grieve the loss of your mom, know that my heart felt sympathy goes your way. You will miss her. Rita will be serving pie in heaven in just a matter of days to Merlin and all her other Dutch Mill customers. You girls have done an amazing job of taking care of your parents! Bless you all.
