“ *We will dearly miss you Uncle Bob and we send all our love and sympathy to Aunt Margaret, Cindy, Bobby and Kathy and all their families during this difficult time. Uncle Bob was our mother Dorothy's only and younger brother. Uncle Bob was such a devoted brother to her when our mother was ill and all throughout her life. He took great care of his parents and worked hard in all he did. He said he missed our mother every single day even to the day we last visited. He loved his family so very much and was always laughing or sharing a story. He was smart as a whip and was really competitive in cards! He was a strong man and weathered many storms but keep persevering with humor and strength. We love you Uncle Bob and we know you and Mom, grandma and grandpa Bradtmiller are partying in heaven reunited. We love you! Lori*
