“ My thoughts and prayers are with you, my former teacher, in the passing of your husband. I work with Arlene occasionally, and I saw her post on Facebook regarding his home going. How wonderful for him, but I know it has to be a shock for you. May God comfort you with everything that you need in the days ahead.

You are loved!

“ So many Fond memories, I have of Bob. And too many to mention, but I can tell you Beth and I had a way with Bob. He loved us so much and I spent a lot of time at his house. He was always so giving while we silly girls ran wild. And of course the trips he and Nancy took us on (Bobbi, Renee, Beth & myself) What great memories, of Cedar Point, Indy Time Trials, Halloween movies, sleep overs at the house and riding around in the back of his pick up truck. And the many times we girls would gang up on him and try desperately to embarrass him in public. He would always smile and just shake his head.

This man had a heart of gold and was like a second dad to me. When I think of him it brings back nothing but happy memories and great times and the love he had for his children, family and all of us. I will miss that smile, his sweet chuckle and his big heart. How he put up with all of us Ill never know, but one thing I know for sure is that heaven gained an angle and I will miss him.

Fly high Papa Bob.

Sending heartfelt sympathies to you Beth & Bobbi
