“ *Marilyn and Family,
So sorry to read about your loss of Bob. I remember when he delivered our Troy-Built Tiller in the early 80's and he asked if I would open the container so that he could see it, because he thought he might want to purchase one also. Also remember the times that Marilyn and I did ceramics for many years at Peggy Crow's house. You will be in our thoughts and Prayers.

“ To Marilyn and Family,

Over thirty years ago I was visiting Tom in Fort Wayne and he said we were going to Bluffton? to play Parlor City? with Uncle Bob? Since that day of meeting Bob he has always been Uncle Bob to me, only making it "official" when I married Julie.

This soft spoken man with the low keyed sense of humor I met that day will be missed.

Sincerely,

Bobby Simpson
