“ My thoughts and prayers are with you during this time. Your dad/husband was a delightful man that I enjoyed getting to know during the time I took care of him as an outpatient at Bluffton Regional. It was neat to find out that he was a special person in my life as a young child when he would "play" Santa Claus and he was just as special recently as well. May God give you the comfort and strength you need at this time.##imported-begin##Tonya (Gilly) Claycomb##imported-end##
