“ *Robin was always the most friendly person in our class and continued to be that way whenever the Class of '61 has assembled. I attended classes with Robin from 5th through 8th grade but have never forgotten him nor his genuine, friendly manner. So sorry for the loss to the Steury family.*

“ Robin was part of our gang! I remember vividly going his home at a young age and playing with his model trains in the lower level. What a layout and fun to play.

The gang also went to the cottage the Steury's owned on Lake James. What a great time we had swimming, boating, and water skiing.

Cruising the streets of Bluffton was also part of the gangs agenda. From the north end of Bluffton to the south end and back again traveling thru the Root Beer Stands.

A great deal of the travel was done in the Wards Drycleaning Vans.

One night we decided to go to the Bluffton Drive In Theater. We were in a 1949 Chevie Convertible. Between the four of us we only had enough money for three tickets.

Robin was the smallest of the four of us so we stuffed him in the cavity where the top goes down and covered him up. The movie was great.

We want to Thank You Robin for serving in the Armed Forces and we will miss you !!!!!!!
