“ I was so sorry to read of Roger's passing! My parents (Ralph and Bernice Baker of Petroleum) knew him well! They had him build me a child's cabinet when I was 4 or 5! I played many hours in the dining room, cooking up delicious food for my dolls! I still have this cabinet, my daughter played with it, her 2 daughters and my son's two daughter played with it! It is now packed away in the attic, waiting on the next generation to come along!! Wonderful memories and I'm sure you all have many to cherish about Roger 🙏🙏🙏

“ Roger and Glenna were our neighbors down the road for the 35 years we lived south of Poneto. He and his brother Keith remodeled our upstairs many years ago. So sorry to hear of his passing. Our sincere sympathy to the family.
