My condolences to Roger's family. I remember him from many years ago. We went to a Bluegrass show together. He loved Bluegrass and taught me about it, too!

“*Caroline and family, we have so many great memories of sitting out with you and Roger at mom's house there on Central. Do you remember how we laughed when he brought out those photos of his old motorcycle, and the stories about courting you?! And I loved hearing him talk about the farm. He was a fine guy and I always looked forward to seeing him when I came home to visit. May your memories comfort you during this sad time - Ann Hamilton Shields, Landstuhl Germany*
