“ *Sympathy to the family of Ron,
Ron and I went to the same schools as we grew up. We played baseball together one season. Then we went on to Bluffton High School and graduated. He feel in love with a young lady in my class, Marty and they married. We both worked for Corning Glass in Bluffton. I always remember Ron as jolly. A great person to be around. He was a hard worker and would help you in anyway he could. He will be missed by many. I have many good memories.*

“ To the Betz Family: Sorry to hear of your loss. I've know Ron since the Corning bowling days. Then there were the kids, especially the boys. Shared a lot of baseball and bowling memories with the boys. I hope you will continue to share your family memories and keep Ron around forever.
