“ *We are so sorry to hear of "pokey's" passing. First became friends at summer playground at McCalla School and maintained that friendship throughout high school and College. Ron was in our wedding and one of those people I count as a true friend. My biggest regret is that we did not keep in touch over the years. One great guy. So sorry to lose him.*

“ *Sorry for the delay, I just found out from a friend Mike Lavender. There are so many memories, I wouldn't know where to start. We were buddies since the 7th grade. We ran around together in high school and college. In fact, we spent most of our free time together. We both played rugby, loved to fish and Ron was a good friend of my wife Peggy. He was my best man in our wedding. We celebrated our 45th anniversary this year. I regret I didn't stay more in touch. Anyway, our thoughts and prayers are with the family. Pokey may be gone but not forgotten.*

“ I am so sorry for your loss. I knew him as Ronnie in our old 16th St neighborhood. We had many good times together with Bobby & Larry who have also passed and with Linda, Mickey, Billy and my siblings Linda & Ronnie. We spent many evenings playing kick the can, hide & seek, and other innocent children's games.
