“ I had known Ronnie for so very many years. Grouchy and grumbly but with a heart of gold. If you knew him, you could see right through.

He always spoke of his family.. his wife, children and grandchildren with such pride and love in his voice.

His reputation as an equipment operator was unquestioned in quality. He will be missed as one of my favorite customers and for me, personally, I'll just plain miss him.. and his high-crowned cap. Condolences to the families.
