“ *Kelley, I don't even know if you will remember me, but you came into my office years past and when I saw the obituary on Ryan I just wanted to send a note saying how sorry I am to read about Ryan. You would always come in with laughter and I pray in the months and years ahead somehow that laughter will return. I am so sorry for your loss.*

“ *Don & Janet, When I heard of Ryan's passing I immediately told Trisha. She shared with me so many great memories of her, your boys & a few others from New Hope Church. When they had their youth group. She told of the times they all came to your house & how loving you were in welcoming all of them. I too wanted to share how grateful we were to have lived next door to Ryan for a time. He was always the first to lend a hand or just have "over the fence" conversations. He was the BEST!! A great friend, neighbor, daddy & am sure son. Our hearts & Prayers will be with you as you walk this sad journey of saying good bye. Until we see him again in Heaven Blessings & Comfort over you all*

“ Kelley, I will never forget the kindness that you and Ryan showed to Joe and me during Joes illness, and after his death. You two were truly our angels here on earth. I am sure that among many others, Joe was there to welcome Ryan to his heavenly home. Sending my love, hugs, and prayers for you and your family.
