“ Scott was a good friend to our family, he was always there if we needed a helping hand. Our kids loved teasing Scott and he would tell them he had kids and grandkids that he missed and wished he would have seen them more and spend more time with. He would always say he wish he had spend more time with his children and grandchildren. That was his one regret. We will miss Scott! Sherri Fiechter

I thought of Scott as a good friend. He always had a good attitude when he worked and he was a perfectionist with a paint brush! I will look at my kitchen often as he helped me remodel the entire kitchen. I remember us both standing back on our finished product and we were both so proud of it! Thank you Scott for your friendship and for all you did for your friends! God Bless you my friend, Ryan Fiechter

My kids want you to know they are thinking about you all. The last time I saw Scott, we talked for a little while and he was just so sweet ... he always was. I hope he is at rest now. Love to you all.*

“ *Scotty s uncle Paul Caldwell was married to my Aunt Tressa in Muncie. Tressa was my grandmothers sister (my mothers aunt) and my great Aunt. I spent a lot of time with them as a child and remember Scotty when he was a child growing up at family reunions. Scotty and I discussed this many times thru the years. I loved my Uncle Paul and Tressa. Scotty was a lot like Paul and he has many cozens there. Scotty was a good person and loved life in Bluffton. He had many friends that will miss him a-lot. Scottys life was cut short. R.I.P cuz we will miss you. Calvin Dewayne Higdon*
