“ Dear Scott,

*I was looking for you on Facebook, just to touch base and see how you were doing. I wanted to ask about Kiley and Brandon, since my sister is mia, as always. You were such a great guy. I still have sketches you did in my sketchbook from high school. We shared a special "big brother-little sister" relationship. I am so grieved to know that you are gone.*

*To your parents, who probably don't remember me, I want to say that your son was a very talented young man, and I feel that had he met a different woman from the beginning, his life would have been so much more blessed, and he could have been very successful. I will keep Scott in my prayers, as I always have.*

*The pain never really goes away when you lose a family member. But it does, or at least it has for me, make you more fully appreciate how precious life is. God bless you.##imported-begin##Rhonda Nemcek##imported-end##*

I'm so very sorry for your loss. Words seem to escape me right now, I was rather shocked to hear the news. You're in my thoughts and prayers.###imported-begin###Betty Garner###imported-end##
