“ I remember I use to LOVE going to grandma and grandpa's . Grandma of course was my favorite . Since I was a little girl I remember being scared of my papa . We look back now and laugh at it . She was such a loving , compassionate women . She usually never said no . My heart was broken when I heard the news . I didn't even get to say goodbye . I love you grandma , now your up there with your bestfriend grandma shari . I know you both are watching over us all . & even though we have so many questions like why this had to happen to you , but we don't get to ask why . God only takes the best .
